Letter from Langshott

15th August, 2021

Dear Friends & Creative Thinkers,

Today I greet you with these awe-inspiring words:

*“In the absence of that which you are not,
that which you are cannot be”*

This complex of simple words spoken by some enlightened soul conceals a mystical wisdom which when cracked open results in a major milestone in the lives of those on a journey to experience the real outcome of living in diversity, and how spiritual prosperity and peace can be minted out of it.

When you've cracked open the wisdom you will know that it is not only those you love, but also those you ignore, hate, and loathe play a vital role in your inner growth and understanding.

Enjoy the journey, there is no fear of being infected.
